Email 1: Requesting an Assignment Extension

Subject*: Request for Extension on Assignment Submission*

Dear Professor,

I hope you are doing well. I am writing this mail to request an extension for my assignment submission. Due to some personal reasons, I could not complete my work on time. I am working on it and want to submit a relevant and good quality assignment. I kindly request you to please give me a few more days to complete and submit it.

Thank you for your understanding.

Yours sincerely,

Divas Jain

Email 2: Internship Inquiry

***Subject**:* Summer Internship Inquiry

Dear Internship Coordinator,

I am reaching out to express my interest in a summer internship opportunity with your Company. I have been following your team's recent projects in software development, and I find your approach very inspiring.

I am currently a first-year student at VIT Bhopal University. While I am early in my degree, I have spent this semester mastering foundational tools like GitHub for collaboration and Python for problem-solving. I am eager to apply these skills in a real-world setting and learn from the experts at your firm

I've attached my resume and a link to my current GitHub portfolio for your reference. I would appreciate the chance to discuss any upcoming roles for the summer.

Thank you for your consideration.

Sincerely,

Divas Jain
